MAP & GUIDE 2019-2020

Welcome

To Our Residents, Business Owners and Visitors –

The City of Weston is pleased to provide you with this complimentary 2019-2020 Map & Guide. Inside you will find a detailed street map, contact information for the City Commission and City departments, as well as an easy to use parks amenities chart, sports league and recreation information. The Map & Guide is a convenient information resource.

The City of Weston provides services to its residents and businesses through a progressive form of contractual municipal management. The City utilizes public and private service providers rather than the traditional method of having numerous city employees. *This is why you will see different providers listed under the various departments and services section of this guide.* This contractual method of providing services enables the City to acquire and reduce the amount of service it needs at any specific time; to do so in a competitive environment; and to operate without maintaining burdensome overhead.

Weston is a friendly, family-oriented hometown with a culturally diverse and actively involved residential and corporate community. Comprised of the finest residential neighborhoods, Weston has the distinction of having a low crime rate and outstanding public safety services, a visually distinctive and meticulously landscaped environment, superior parks and recreation system, low millage rate, AAA credit ratings, top-rated public and private schools, and world-class health care facilities.

Weston prides itself on providing residents and visitors with an unparalleled lifestyle, meeting all of your needs within the confines of the community.

Discover Weston and all that it has to offer - **Your World Is Here.**

FLOODING

FLOOD INSURANCE

Homeowner insurance policies do not cover loss due to flooding. Weston participates in the National Flood Insurance Program, which makes coverage available to everyone in the City at a discounted rate. Residents and business owners are urged to buy flood insurance to protect against potential devastating loss. Property owners may insure buildings and contents; renters may insure their possessions. Just because your property has never experienced a flood does not guarantee that it will not happen. Consult with your insurance agent regarding appropriate coverage for your home.

If you would like a copy of a FEMA flood map, you can order one online at msc.fema.gov or call 1-800-358-9616.

The National Flood Insurance Program is an informational resource at 1-888-CALL-FLOOD, or visit FEMA.gov. The Flood Insurance Rate Map (FIRM) shows the flood zones for Weston. Insurance agents, lending institutions & community officials use the FIRM to determine the location of a specific property and the corresponding flood zone. Community officials use the information to administer flood plan management regulations.

Questions? Please contact Weston Public Works at 954-385-2600, Monday - Friday, 7:00 a.m.- 4:00 p.m., or visit the City website at WestonFL.org/Flood
